RESPONSE TO OFFICE ACTION

Sir:

In Response to the Office Action sent on May 7, 2002, which is being submitted on or before October 7, 2002, and for which two months' late fees are due and are enclosed herewith, please make the following changes:

In the Specification:

Please insert the following on page 1 at line 3: This Application claims priority from PCT Application No. WO 00/09070, filed on August 13/1999, which in turns claims priority from Israeli Patent Application No. 125790, filed on August 13, 1998, and from US Provisional Application No. 60/137,145, filed on June 1,

1999.--
